

Dear homophobes,

we have a **h**obia of your
behaviour. If you torment people
because of who they love, shout
words that we are not going to write,
or use violence because you don't
like who someone is holding hands
with, you should be worried. If we
see or hear your abuse, we're calling
the police. That's because love lives
in this country, not hate.

Yours, Scotland

Hate crime. Report it to stop it.
